### Preamble

- 1 All Home Ownership Scheme (HOS) buildings, Tenants Purchase Scheme (TPS) buildings, and divested retail and carparking (RC) facilities together with the public rental housing (PRH) blocks situated within the same lease with the divested RC facilities are subject to building control under the Buildings Ordinance (BO). The Independent Checking Unit (ICU) performs building control under the BO on these buildings under the delegated authority by the Director of Buildings.
- 2 Any applicant intends to conduct building works involving building structures or material change of use within those BO applied housing estates / courts and RC facilities should apply for approval and consent from ICU. The applicant should appoint Authorized Person (AP) and Registered Structural Engineer (RSE), use the BD prescribed forms and pay the required fee.
- 3 Although HA's new PRH projects and existing PRH estates in non-divested lots are exempted from the BO, the ICU exercises building control on these buildings through administrative procedures which are consistent with BD's standards. However, the applicant is not required to pay fee under this mechanism, and should use the ICU forms.
- 4 Should there be any enquiries, please contact Independent Checking Unit (ICU):
